En viss kontakt har det vært mellom "the Okland's and the Froland's" i Iowa. I et julebrev på slutten seksti-tallet, etter at Nils Oakland var død, forteller tante Ruth (Nils' kone) - til sin niese Ingrid i Norge - om et kaffebesøk hos sin svoger Hans Okland. Der var også Johan (John) og Edith Okland sammen med Johan og Hans' jevn-gamle fetter Hans Froland. Og hun forteller om familierelasjonen mellom Frolands (Frølands) far (Nils) og Ingrids mormor Inger.
